## COMPETITION!

Can you find the secret word? There are 10 hidden letters on some of the information cards along the trail – find all 10 and unscramble them to create a Reading landmark. There is one competition each week of the event, so plenty of prizes to be won! To be in with a chance of winning, simply complete the trail and drop this tear off section into the competition entry stand at one of the following locations: The Oracle customer service desk, Broad Street Mall customer service desk, Reading Station mobile information unit. Good luck!
